Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On March 10, 2006 Applicant filed an Information Disclosure Statement in this case. A copy of that Information Disclosure is attached (5 pages). This Supplemental Information Disclosure Statement is filed to explain the relevance of the material (Exhibits 1-33) submitted with that Information Disclosure Statement. These exhibits were attached to an opinion of counsel for an opposing party in a license negotiation. Thus, the exhibits and the opinion are relevant to the extent that they are arguments of that counsel and his supporting references (The opinion is listed on attached PTO/SB/08 form with an arrow).

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to Account No. 11-1410.

Respectfully submitted,

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing 1 reference to be considered by the Examiner. Also enclosed is 1 non-patent literature as listed on the Information Disclosure Statement. **with exhibits 1-33.**

The above-captioned pending patent application, or a related application, is the subject of license negotiations between the assignee of this application and a third party. That negotiation relates to many patents and patent applications belonging to the assignee. During the course of license negotiations, on Tuesday of this week, 3/7/06, the potential licensee provided the assignee with an opinion which the potential licensee acquired from its counsel. Because the Examiner may find the arguments of licensee's counsel, or the references attached to the opinion, of interest, the entire document received from the potential licensee is being supplied in this case, and in other cases owned by the assignee. Some of the attached references are already of record in this application, but are included so that this submission is complete.

This Information Disclosure Statement is being filed before the mailing date of a final action and before the mailing date of a Notice of Allowance.
